LEGAL VERIFICATION SERVICES

Terms of Assessment

The scope of the evaluation is to verify compliance with Shin Yang Wood System Sdn. Bhd. to the criteria within the **Sarawak Timber Legality Verification System (STLVS**) (**v02 dated 29 Jan 2019**) Principle 5 - Mill Operations and Principle 6 - Trade and Customs. Compliance is defined when the organization demonstrates that there is no non-compliance to any applicable criteria. Any non-compliance must be formally addressed in accordance with the STLVS auditing manual and prior to issuance of a GFS Audit Statement.

Limitations of Assessment

The information presented in this report is based on documentation and other information presented by the client and observations made during the site verification under the scope of assessment. GFS reporting of information presented by the client are taken as accurate, unless evaluated differently through the observations made during the assessment. All information presented in the report is accurate and complete to the best of knowledge of GFS.
